All students must be ready to provide transportation for themselves, if needed. In order to concentrate on assignments based on student/teacher you are not asked if you have a car.

IMPORTANT NOTICE

Because many of the public schools in Hawaii have adopted a modified calendar, some beginning as early as the third week of July, a significant number of student teachers will be assigned in a modified calendar school. If assigned to such a school, you would be expected to begin your O&P/Student Teaching according to that school's calendar. Therefore, if you have extenuating circumstances that should be considered in making your placement, please explain in an attached letter.
