

First BYU and BYUH Alumni Gathering – Jakarta, Indonesia

On Friday, 18th January 2008, several BYU and BYUH alumni joined together at the mission home in Jakarta, Indonesia hosted by President and Sister Marchant, the mission president and wife. Also in attendance were Michael Sudlow and Thomas Bloss of BYU Hawaii Admission who had a couple of hours to share before heading to the airport to return to Hawaii.

A nice dinner was served and the group enjoyed each others company and spoke about their experiences at BYU and BYU-Hawaii. After the dinner, we were able to view the new DVD of the dedication of the newly built Gordon B. Hinckley Alumni House on the BYU Provo campus. We also enjoyed a DVD about the many accomplished BYU-Hawaii graduates. It was an evening that was enjoyed by all with hopes of gathering together again in the near future.
