

# BYUH Housing Board Appeal Form

It is University Policy that all single full-time students with BYUH loans and all single international students that are on the university work study program must reside in the campus residence halls. All other full-time students must reside in the campus residence halls until they have completed two semesters as a full time student, unless they are living with their immediate family.

Family housing and single student residence halls will not be available for advanced standing on the housing waiting list. The University will provide housing to full-time students, upon availability, for up to a maximum of 5 years. A student transferring from the Hales will carry over the remaining years of eligibility to Temple View Apartments.

Final decision for single and married sponsored students to live off campus must be given by the President's Council.
